She is a full sister to BL Rio Catchit, the first cow to reach 90" TTT. Classy will be used to build our herd to the next level. Her dam BL Catchit is a fantastic producer of fertility, milking ability, color, correct conformation, and horn. Adding JP Rio Grande to that was an explosive result in horn!

Total Horn: 106.0000 on 06/14/2024
TTT: 77.5000 on 12/09/2023
